COMMITTEE ON THE RIGHTS OF THE CHILD
Fourteenth session
Geneva, 6-24 January 1997

Note by the Secretary-General

1. The Committee on the Rights of the Child has on several occasions emphasized the importance it attaches to areas where technical assistance would seem appropriate in a particular country, as arising from the consideration of a State party's report and in the light of the provisions of article 45 (b) of the Convention.

2. A table indicating areas in which the need for technical advice and advisory services has been identified in the light of the observations adopted by the Committee at its third to thirteenth sessions is to be found in the annex to the present document.
